

# Have you a story to tell?

## Would you like to see your relative's story in print?

We are planning a series of books with stories of those who fought in the Easter Rising (and beyond). If you would like to have your relative included then please contact us. All you have to do is give us any details you know of your relative's story, photos (if you have them) and we'll do the rest. You can write the story, or we can. It doesn't matter how much (or how little) information you have, we can use it. Cost? It will cost you nothing to have the story written/printed – you just have to buy the finished book if you want to – there's no obligation to do so.
